RECOMMENDATION LETTER

Amway Corporation (ООО «Amway») has successfully cooperated with **A.S.Wellas** Executive Search and Recruitment Company (ООО «A.S.Wellas») in recruitment of staff on different positions. Working together since May 2008 we filled several finance positions in our company and we are currently recruiting more professionals through them.

We found **A.S.Wellas** a reliable partner, quickly understanding our needs and able to swiftly present us with certain amounts of candidates for the positions we have open.

Being a young and dynamic company, **A.S.Wellas** management and recruitment consultants demonstrate flexible attitude and ability to act fast on demand.
